

## QUALITY POLICY

Pyramid Constructions (WA) Pty Ltd. (Pyramid) is a Western Australian based provider of Construction, Building and Project Management to the Government, Public and Commercial sectors. Pyramid is focused on customer satisfaction and consequently generates a high level of repeat business.

Pyramid has the unique capacity to respond to client requirements and to provide a level of service and competence ahead of the competition. The enhancement of Quality Management, as part of the Integrated Management System is but one example of the commitment to excellence that is evident in our projects and client outcomes.

The following objectives confirm Pyramids' commitment to quality:

- Continual improvement of the organisations' overall performance to enhance competitiveness;
- Creating and maintaining an internal environment in which people are fully involved in achieving the organisations' objectives;
- Consistently deliver quality construction outcomes;
- Our Integrated Management System meeting the requirements of ISO 9001: 2015
- Meeting client expectations in terms of time, cost and quality; and
- Developing positive perceptions and confidence in the marketplace.

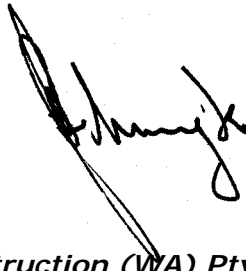

The Policy relies on the following commitment:

- Active participation, cooperation and dedication of everyone in the Company;
- All employees will be provided with and be made aware of their quality assurance obligations;
- Aim for best practice at all levels;
- The company's operations, decision making, planning and actions will be conducted in accordance with this policy;
- Management's commitment to the Integrated Management System will not only increase client satisfaction, but it will also enhance the Company's long-term productivity and competitiveness through continual improvement of management, construction methodology, risk management, time and cost overruns, delivery and maintenance processes; and
- Ensuring that company employees, interest parties and subcontractors are informed about this Policy and are aware of their responsibilities.

Pyramid is fully committed to Quality Management and is pursuing a program to achieve best practice in all aspects of the business.
